

Pretoria Golf Club is only golf club situated in the Tshwane West region and with the assistance of Mohale Golf Agency boosts a thriving junior golf and golf development programs ideal to introduce novice golfers to the game and amateurs to improve their game.

Over the past 3 year we have introduced over 100 juniors and novice golfers to sport through structured golf clinics which cover the basics and have inspired others players to take up the sport through our coaching programs which covers the golf swing in its entirety.

Our partnership along with the support of the South African Golf Development Board & Gauteng North Golf Union has help our junior golf development program reach success unmatched on the level of training, equipping, mentoring as well we ensure players whose performance is improving get rewarded accordingly by securing club membership and play in competitive junior golf tournaments.
